

# Suzette Samm

## Front-End Developer

Dallas, Texas | <https://www.linkedin.com/in/suzette-samm/>

**Portfolio:** <https://suzettesamm.com>

Enthusiastic and highly motivated entry-level front-end developer with a passion for creating visually appealing and user-friendly websites. Recently graduated from XYZ University with a degree in Computer Science and completed various front-end development certifications. Skilled in HTML, CSS, JavaScript, and React.js, with a strong understanding of web development principles and best practices. Seeking to apply my skills and knowledge in a professional setting and grow as a developer.

## PROJECTS

---

Personal Portfolio Website:

Developed a personal portfolio website using HTML, CSS, JavaScript, and React.js. Utilized Adobe Photoshop and Adobe XD for design mock-ups. The website showcases my skills and experience as a front-end developer.

E-commerce Website: Collaborated with a team to develop an e-commerce website using HTML, CSS, JavaScript, and React.js. Utilized Git for version control and Figma for design mock-ups.
